

What's New - Tallcorn 2023

We'd like to highlight a few **changes** to this year's festival.

1. Afternoon SNEAK PEEK of UNI Jazz Band One + Anat Cohen Q & A

- at 12:15pm UNI Jazz Band One will perform a couple of selections for all Tallcorn Jazz Festival participants and spectators in Bengtson Auditorium.
- Immediately following the SNEAK PEEK, our SDIJ Guest Artist Anat Cohen will give a brief masterclass/question & answer session (12:30pm-1pm).

2. Evening Awards Ceremony

- The SDIJ Concert will begin at 7pm on both nights, with the Tallcorn Jazz Festival Awards Ceremony to take place during the intermission of the concert (expected around 7:45pm).

3. T-Shirts

- Every student who filled out the 2023 Tallcorn Jazz Festival T-Shirt Form before January 6th will receive a free shirt, which will be sorted by size and labeled in your homeroom upon arrival.
- For those who did not complete the form, a limited number of t-shirts will be sold at concessions on the day of the festival.

4. Director's Packets

- This year, ALL directors will receive their packets as scans via google drive after their performance. With the exception of solo award certificates, we will not be handing back physical copies of documents.
